A great opportunity for our members to practice for Track and Field relay events.

With Covid restrictions, it has been a tough year, not just in athletics, but everyday life. Things are all over the place, as MLAC continue to plan/work day by day. We thank you for your patience. We hope that when we do get out on the track, our members are enjoying themselves, and we hope 2021 brings some normality to athletics competition!!

Cheers,

Shane Danaher – MLAC President (and MLAC Committee)
